

Cobalt

Medical Charity

Diagnosis • Research • Education

Registered Charity No: 1090790

Collect your loose change

Cobalt supporters have been donating their loose change to Cobalt over 30 years. Over time, small change can really add up.

You can either collect for yourself, or if you are a member of a specific group, you could encourage a regular group collection.

We have specific pot your coin tubes or post-able money boxes - but you are welcome to collect yours in whatever you like!
